

# **Alliance Auto Parts**

## **STANDARD WARRANTY**

This warranty will protect the original purchaser for a period of 3 months from the invoice date for replacement of the failed parts. This coverage is included on all used parts unless otherwise stated on the front of the invoice. This warranty is non-transferable. EXCLUDES LABOR AND SHIPPING COSTS.

## **6 MONTH AND 1 YEAR WARRANTY**

This warranty is available on engines, transmissions, transaxles, transfer cases, axle assembly, and carriers/differential assemblies. This warranty will protect your investment in this part for either 6 months or 1 year from the date of sale stated on the invoice. This warranty is non-transferable. EXCLUDES LABOR AND SHIPPING COSTS. \*Additional charges may apply\*.

## **POLICY OF WARRANTY**

This warranty applies to Alliance Auto Parts only. This warranty applies only to the original purchaser of the part, installed in the vehicle for which it was originally purchased. This warranty is non-transferable. If any defect is discovered during the warranty period, Alliance Auto Parts must be informed immediately. All claims must be accompanied with the original sales receipt and any other documentation reasonably requested by Alliance Auto Parts. Defects must be verified and all repairs must be authorized by Alliance Auto Parts. All transportation cost are excluded from any warranty. Alliance Auto Parts reserves the right to repair, replace or refund the purchase price of any part at its option. Such repair, replacement or refund will satisfy all obligations of Alliance Auto Parts under this warranty. Any improper use or abuse (including but not limited to overheating, low or improper fluids and levels) neglect, careless handlings, damage done by improper installation, or repairs, or removal of a pieces from the part shall void this warranty. Melting of heat tabs installed by Alliance Auto Parts will be considered evidence of overheating. All labor cost including the cost of removing attached external parts from the purchaser's old part to Alliance Auto's part for example (but not limited to); seals, gaskets, fluids, and similar supplies are specifically excluded from any warranty. This warranty is in lieu of all other warranties, expressed or implied, including the warranties of merchantability or fitness for a particular purpose, application or use. The liability and obligation of Alliance Auto Parts under this warranty shall not exceed the price of the part as shown on the original invoice and shall not include any inconvenience, transportation, towing, downtime, and loss of vehicle, direct or indirect consequential damage. No action by Alliance Auto Parts under this warranty shall extend the original warranty period or alter its obligations. This warranty gives you specific legal rights. Any cause of action arising from any warranty must be commenced in a court of competent jurisdiction in Queens, NY.

## **TRANSMISSION WARRANTY**

All installations must be made by a Certified Registered Repair Facility in order for Alliance Auto Parts to honor the warranty. Improper detent adjustment, low fluid level, not using proper fluid, not replacing new filter or broken front pump, improper installation, and failure to re-program necessary components, voids all warranties. All conditions under terms of sale apply. Alliance Auto Parts

recommends the buyer replace front seal, rear seal, pan gasket, filters, and axle shaft seals when applicable prior to installation, as these are not covered by warranty.

#### ENGINE WARRANTY

All installations must be made by a Certified Registered Repair Facility in order for Alliance Auto Parts to honor the warranty. Alliance Auto Parts warrants to the original purchaser the internal parts of its engines to be free of defects for the period shown on the invoice. The parts covered by the warranty are the engine blocks, cylinder head and valves, cam shaft, connecting rods and bearings, pistons, rings, oil pump, crank shaft and bearings, rocker arms, lifters, and other internal parts. Excluded from this warranty are all fuel injection parts, water pump, all electrical parts, hoses, lines, intake and exhaust manifolds and gaskets. Alliance Auto Parts strongly recommends the purchaser replace the timing belt and rear main seal prior to installation, as these are not covered by warranty.
